FENG Pai-chu, Hainan Communist guerrilla commander, has a secret headquarters and supply dump at Wuchihsan (109-27, 18-52). FENG controls the entire route from his port of entry, Chenpu, to his headquarters. Four thousand fishermen near Chenpu transport supplies from the China mainland to Chenpu where they are cached and, under cover of darkness, hauled overland on a three-day trip to central Hainan by FENG's troops.
